

Year 7 Catch Up Funding 2019/20

Context			
<p>Catch-up Premium (funding) was introduced in September 2012. Schools are allocated funding for each student who on entry to year 7 who has 'not achieved the standard', based on standardised scores in Reading and/or Maths at KS2. The funding is provided so that these students can be given the opportunity to catch up as quickly as possible with support in literacy and numeracy. The academy entitlement is calculated by the number of eligible students reported in the Autumn census returns and KS2 assessments. At Wodensborough Ormiston Academy, approximately 40% of our students were eligible for catch-up funding in Year 7 for the academic year 2018/2019. The SAT results in 2018 identified:</p> <p>Literacy: Mathematics : 64% Achieved standard 63% Achieved standard 36% Did not achieve standard 37% Did not achieve standard</p>			
Funding allocation			
2017/18 - £26,503 2018/19 - £26,503 2019/20 - £26,503
