**Year 11 Results and Consultation Evening**  
**Wednesday 8<sup>th</sup> December 2021, 4.00-6.00pm**

Dear Parent/Guardian,

**We would like to invite you to our Year 11 Parent Evening, taking place on Wednesday 8<sup>th</sup> December.**

It is essential that all parents attend this evening because it provides you with an opportunity to meet with your child's subject teachers, to discuss their progress towards targets, their expected outcomes in next summer's examinations. This is your opportunity to find out how your child is currently performing and, importantly, how you can best support them in the remaining two terms before the end of their Key Stage 4 courses.

Staff will be available between 4.00pm and 6.00pm. You will be presented on arrival with your child's latest interim report, which details their recent predicted grades against target grades, as well as the results from the most recent set of mock exams. We hope that this document helps to inform your conversations with subject teachers on the evening. We encourage students to be present during these conversations.

In addition, we will also be hosting our 'Results Tea' where parents and students will get chance to receive their results from the latest Mock exams. This is a unique opportunity for both students and parents to discuss queries, concerns and importantly how they can improve their results further. Furthermore, it will be the **only** chance for students to receive these results in person with the added advantage of having specialist teachers on hand to guide them through the next year offering advice on revision strategies and upcoming future subject interventions.

Please complete the reply slip below and return it to form tutors by **Friday 3<sup>rd</sup> December**.

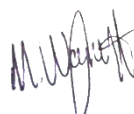

On the evening Miss K. Asquith and Mr K. Webster will both be available for any pastoral or achievement issues relating to your child. Please contact us to arrange an appointment if you feel this will be necessary. Some parents may receive a Priority Booking letter from a member of our senior leadership team in the coming days to arrange a 1:1 appointment on the evening for a more in-depth discussion on how best we can support you and your child.

We very much look forward to seeing you at the Parents' Evening.

Yours sincerely,

Leigh Moore  
Principal

Please return to Form Tutor by Friday 3<sup>rd</sup> December
