Year 9 Pathways and Parents' Consultation Evening
Wednesday 9th February 2022, 4.00-6.00pm

Dear Parent/Guardian,

We would like to invite you to our Year 9 Parents Evening, taking place on Wednesday 9th February.

It is essential that all parents attend this evening because it provides you with an opportunity to meet with a key member of staff from either our Leadership Team or our Pastoral Team to discuss your son/daughters progress this year and to look at subject specific targets to improve, in anticipation of the pathways process and picking their KS4 curriculum.

Staff will be available between 4.00pm and 6.00pm. You will be presented on arrival with your child's latest interim report, which details their target grades and current working at grades as well as personalised subject specific targets. We hope that this document helps to inform your conversations with teachers on the evening. We encourage students to be present during these conversations.

Parents Evening also marks the start of our support for yourself and your child through the pathways process. On the evening you will also receive your child's Pathways booklet with information about their KS4 pathway and the Information, support and guidance we will be offering as we all start the KS4 journey together.

Due to current risk assessments, and in the interests of public health, we will be holding a separate Pathways Information Evening with Miss Atkins and Mr Wagstaff on Wednesday 16th February from 5pm. Further details will be available on the evening and included in your data packs.

On the evening Miss C. Dempsey and Mr K. Webster will both be available for any pastoral or achievement issues relating to your child. Please contact us to arrange an appointment if you feel this will be necessary. Mr Wagstaff and Miss Atkins will also be available on the evening to answer any queries you have regarding the pathways process in advance of our online information evening.

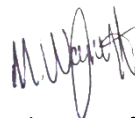

Please complete the reply slip below and return it to form tutors by **Wednesday 9th February**.

We very much look forward to seeing you at the Parents' Evening.

Yours sincerely,

Leigh Moore
