An online **P**arenting **I**ntervention to **P**revent
affective disorders in high-risk **A**dolescents:
The PIPA Trial

Dear Parent/Carer

The PIPA Trial

We are writing to you about The PIPA Trial which is being conducted by the University of Warwick. Wodensborough Ormiston Academy are collaborating with the research team on this trial which is exploring the effectiveness of an online resource for parents/carers to help reduce depression and anxiety in young people.

Families of young people aged 11-15 years are being invited to take part and we encourage families at Wodensborough Ormiston Academy to sign up (please note that your name and address details have not been shared with the trial team). There is an information sheet which will give you more details of the trial and what your participation would involve. We have also attached an information sheet for your child.

If you are interested in taking part in the trial, please visit <https://ctu.warwick.ac.uk/PIPAmobile/parent-consent> to register. You will then need to enter this code, **42960820**, to access the database and to provide consent for you and your child to take part.

If you have any questions about the trial and would like to find out more information, please contact the PIPA trial team using the contact details below. Mr C Smith is the 'PIPA champion' for Wodensborough Ormiston Academy, and you can also speak to them about the trial.

Many thanks for taking the time to read this letter and we look forward to hearing from you.

Mr C Smith (Senior Assistant Principal) and The PIPA Trial Team
