Summer of fun

FOR SANDWELL'S CHILDREN AND YOUNG PEOPLE

Fun activities for young people this summer

Sandwell Council's Youth Service will be running free holiday activity and food programmes in Sandwell parks and open spaces across the six towns.

A range of activities aimed at 11 to 19-year-olds (up to 25 for those with SEND) will be on offer including sports, arts and, new for this year, a virtual reality experience.

Have you got a teenager who wants to learn to play an instrument, sing or be part of a band? Then our School of Rock at Coneygre Arts Centre, Tipton, is the place for them. Or they can learn a new trick at our School of Magic.

Are they interested in climbing, abseiling, archery and canoeing? Then get them booked onto one of our multi-activity days at Malthouse Stables, Tipton. Or, if they feel more adventurous, they can book onto a residential experience at the Frank Chapman Centre in Bewdley.

For families with young people who have SEND, we are offering free activities, funded by Holiday Activities and Food (HAF), including arts and crafts, a family day at the beach and an outdoor pursuits session at Malthouse Stables.

Alongside this, we have young women's only sessions. These include physical activity, arts and crafts, gardening and flower arranging, cookery and a picnic in the park. All targeted sessions need to be pre-booked and are on a first-come basis.

Visit www.justyouth.org.uk for more information on activities and programmes or follow us on Facebook (search 'JustYouthSandwell').

Could YOU WM be for you?

YOU West Midlands offers an opportunity to make positive changes to your life and future.

Some 20,000 young people are already involved in uniformed youth organisations across the West Midlands and many more could benefit.

You can find new real friends, have exciting and sometimes challenging adventures and experiences, develop many skills and abilities, and help others.

Youth Organisations in Uniform West Midlands ('YOU WM') represent the Army Cadet Force, Boys' Brigade & Girls' Association, Combined Cadet Forces, Fire Cadets, Girlguiding, Girls' Brigade, RAF Air Cadets, Sea Cadets Corps, Scouts, St John Ambulance and the Volunteer Police Cadets.

Being part of a uniformed youth organisation can play a major and sometimes life-changing part in a young person's development of skills and confidence to fulfil their potential and help them play an active role in our communities.

YOU WM is strongly supported by the West Midlands Reserve Forces and Cadets' Association and West Midlands Lieutenancy.
