

Glow up your Grades Raising Achievement evening for Year 11 Parents/Carers

Monday, 21 October 2024

Dear parent/carer,

Thank you for your continued support during this important time for your child. Your child will be sitting their next round of Mock Exams for all subjects, week commencing Monday 4th November 2024.

To help you to support your child with preparing for these exams we would like to invite you to our Glow up your Grades raising achievement evening on Wednesday 23rd October 16:00-18:00. During this evening, you will have the opportunity to meet and hear from key members of the year 11 team at 4pm or 5pm in the arena. We will show you some strategies you can work on with your child, to help them to revise and prepare for this series of mock exams as well as throughout the year. We will also explain the initiatives that have been introduced at Wodensborough this year, to ensure your child is able to reach their full potential.

Various providers from colleges, apprenticeships and the world of work will be in the design studio and S2 throughout the evening to visit and discuss your child's options for post 16. We very much look forward to seeing you at the Glow up your Grades raising achievement evening. Any questions or concerns you may have please feel free to contact myself on the email address below.

Yours sincerely,

Mrs S Khan

Associate Assistant Principal
