

THE WEEK AT WOA

FRIDAY 30TH JANUARY 2026

PRINCIPAL'S UPDATE

We have had another super week at WOA!

Firstly, we received our long-awaited Ofsted report which commends our pupils and staff. We have much to be proud of and inspectors described our school as: "a friendly, respectful community where pupils are valued with many describing the school as being like a family." This has been emailed out to you today and should you have any questions, please do not hesitate to get in touch.

- Year 7 pupils have been involved in the SNAP Project which teaches them about the dangers of vaping.
- 25 of our Year 10 pupils have been to Sandwell College on a Child Development and Health and Social Care taster event and a further 16 attend a Hair and Beauty taster day.
- On Wednesday we held our Year 9 Parents Evening and Options Programme launch - a BIG thank you to all who attended.
- It has been yet another super fabulous FOMO Friday today complete with disco, face-painting and a quiz! Many pupils have won prizes and vouchers as part of our Wheel of Wonder.
- Year X won the most improved attendance this week - well done to all!

On Saturday this week (31st January) we are hosting a Year 11 Parent Workshop for Revision Skills, 11.00am-1.00pm, we look forward to welcoming all parents who want to find out more about how they can support their children through their upcoming exams.

Next we are planning a HUGE Raising Achievement & Careers event - On Monday 2nd February all pupils in Year 10 will have a mock interview with an employer and they will also have a target-setting session where they will get their target grades and attendance.

Don't forget our FOMO FRIDAY FEBRUARY FRENZY - Tutor groups with the most improved attendance will ALL get a dip in the trolley of joy and there will be pizza lunches and other treats planned. The reason we reward attendance so heavily is because it really is the key to future success. Please continue support us in supporting your child to ensure they attend school on time every day. Please reach out to us if you need any support in relation to your child and their attendance.

Finally, this week we have written to a number of parents regarding inappropriate use of Tik Tok. Online safety among young people is a national and a global concern - we need to work together to ensure that our children are safe online and only access age-appropriate content. Many social media platforms have age restrictions and these are in place for a reason. Please support by checking what your child is accessing online.

Thank you as always for your continued support of all that we do at WOA.
